Nail Logic Institute schedules a new class beginning every four to five weeks, except during the month of December. Nail Logic Institute reserves the right to change this schedule at any time, without prior notice.

5 ATTENDANCE PROCEDURES

Prearranged absences – Students are encouraged to arrange time off at least two (2) weeks prior to taking the time off. Students who submit a completed pre-arranged absence request form are excluded from calling-in the day of a prearranged day off. It is the student's responsibility to make sure that the time off taken will not cause their attendance to fall below the eight-five percent (85%) minimum attendance requirement. A form must be filled out requesting the time off, two weeks prior to the date they wish to take off and turned into the request box. Saturday attendance is mandatory for all students. If you request time off on a Saturday, you will owe \$5.00 per hour for each hour you miss. If you are absent on a Saturday, the payment for your missed hours is due before you are allowed to clock in on the next day you are present at school.

Non-Prearranged absences – Each student is allowed 3 absences or late arrivals that were not prearranged with administration in one month. On the 4th day of tardiness or absences and thereafter, within the same month, the student will be suspended for the day and sent home each time. Each time a counseling form will be placed in the student's file and the hours missed will count against your personal/sick hours.

5.1 Reporting an Absence

You must report any absence by contacting Nail Logic Institute by phone and email prior to being absent. You must call and email Nail Logic Institute at (480) 588-7686 and administration@naillogicinstitute.com, one hour prior to your contracted start time for each occurrence. Again, it is the student's responsibility to make sure that the time missed will not cause their attendance to fall below the eight-five percent (85%) minimum attendance requirement. If attendance drops below 85%, corrective action will be enforced through disciplinary counseling (section 18). Failure to call and email in, each occurrence will result in suspension. The student will be provided a written notice to notify you of the suspension and a counseling form will be placed in the student's academic file.

5.2 Reporting a Late Arrival

Students are expected to call the Nail Logic Institute reception desk, at (480) 588-7686, by 8:30 AM (full-time/morning students), 12:45 PM (full-time afternoon students) and by 4:00 PM (evening students) each day they are to arrive late. Failure to call in to report a late arrival will result in a one-day suspension.

If the student calls in by 8:30am/12:45pm/4:00pm that they are going to be late, they must be in school and clocked in by 9:30am/1:45pm/5:00pm. The student will not be allowed to clock in after 9:30am/1:45pm/5:00pm.

If you are tardy, whether excused or not excused, this time missed is viewed as personal hours. You may clock-in from 9:00 to 9:05 AM (Morning class), 1:15-1:20 PM (Afternoon class) and 4:30-4:35 PM (Evening class). At 9:06 AM/ 1:21 PM/ 4:36 PM, all students are expected to be in the building and have the appropriate and necessary materials needed for class. If you clock in after the 5-minute grace period, the time clock will automatically clock you in at 9:30am/1:45pm/5:00pm. Students who return late from their lunch break or take more than the permitted 30-minute lunch break without notifying the school or without a pre-arranged request will be sent home for the rest of the day. A counseling form will be placed in the student's file.

NOTE

Three consecutive failures to report an absence will result in the student being terminated from Nail Logic, The Institute of Nail Technology.

After three no call/ no shows an email will be sent to the email address you provided us as well as a letter will be mailed to the address on the student enrollment contract as to their termination. The student must call the school to make arrangement to complete the termination paperwork and pick up any items left in the school within five school days or the student lock will be cut off their locker, their kit and belongings will be removed.

NOTE

If a student swipes their time card after 9:06 AM/1:21PM/4:36PM, the time clock processes the arrival as 9:30 AM/ 1:45PM/ 5:00PM.

There will be a \$5.00 late fee imposed for each late arrival that must be paid before being allowed to clock in.

6 TRACKING HOURS

According to the Arizona State Board of Cosmetology, each student must clock hours by using a time clock. The clocked hours for state board are calculated from the first to the last day of the month. These clocked hours are reported to the state board office by the tenth of the month for the previous month's hours. Each student will sign off on the Monthly Hour Sheet and keep a record of their hours invested in each month. State board hours are posted by the tenth of each month at the front desk. Students are to review their hours and by signing you are confirming these hours are correct.

Remember this is an official document that will be sent to the Arizona State Board of Cosmetology. If there is a discrepancy of the hours, please check with administration, the time clock will always prevail.

It is each student's responsibility to keep track of his/her own personal hours. Nail Logic, The Institute of Nail Technology provides the student with 3 different methods of tracking hours:

1. Time clock
2. State Board Monthly Hour Sheets
3. Progress Reports

All students are expected to be in attendance as specified in the enrollment contract. Our training is similar to actual employment, where any absence or late reporting interferes with daily work and reflects upon the students' record.

NOTE

It is the student's responsibility to keep track of how many personal hours have been used. You will automatically be charged the fees for missing school once our records indicate you have used all your personal time, if your records show something different please bring it to administration's attention.
